Hi, I'm Penelope! Have you seen that boy? He might be nice, but...

But those are dreadlocks!

And that weird red goatee! Does he think he's the macho over here?

GRRR...

Well, why are you so silent?

He's my brother and... the sun is very HOT today!

PFFF! Those creams take ages to draw in. I'm sticky for half an hour already! And I'm in a hurry!

AAAH! That's better! I just need AIR!

This time I won't end up with a yoghurt colored skin after the hundredth vacation in town!

But... Welcome back! What do you think about my new look? I designed it myself!

Hay Lin, you're crazy! It's 30* degrees!

Are you trying to hide away a great colored skin?

Sort of! I used a self-browning cream, but I'm afraid I'm allergic to it!

HA HA HA! HEEHEE!
